

Banners

Red, Yellow, Blue, White, and Black

These tough & reliable banners are practical for all types of signage applications. These 10 oz. standard, fire retardant banners are made of a polyester inner core that is vinyl laminated on both sides. They're ready to accept your vinyl lettering or screen printing. Banners are styled with brass grommets & reinforced with double stitched hems. To hang or tie down your banner just attach snap hooks, "O" rings, or sturdy rope through the grommets.
